The accessibility of this tourism resource has been analyzed by experts

## General Information

La catedral es de estilo artístico gótico. Las iglesias góticas eran muy altas y tenían grandes ventanales de colores, llamados vidrieras. Hubo varias ampliaciones en los siglos siguientes. Por ejemplo, la Capilla de los Condestables, la Capilla de Santa Tecla, las agujas de la fachada principal y el cimborrio que corona la catedral se hicieron después de la Edad Media.

## Entrance

Entrance: Inclined plane / ramp

### Ramp information

The slope makes the ramp : Can be used with help from another person
